PSA Swimming Carnival / Perth High Performance Centre / Thursday 12 March

Scotch College is proud to host the
2026 PSA Swimming Carnival

Dear PSA Community

Welcome to the 2026 PSA Inter-School Swimming Carnival. Tonight, we celebrate far more than competition in the pool, we celebrate the lifelong benefits of swimming and the strength that comes from being part of a school sporting community. Swimming develops fitness, discipline, confidence, and resilience. It teaches students to set goals, to push through challenges, and to take pride in continual improvement. These habits serve our young people well beyond their school years.

The PSA brings seven schools together as one community, united by fair play, teamwork, and personal excellence. Being part of a school sporting group gives students a sense of belonging and shared purpose. Whether competing, supporting teammates, or cheering from the stands, every student contributes to the spirit and identity of their school. These moments foster friendships, respect, and memories that last a lifetime.

Tonight, we honour both **participation** and **performance**. Every swimmer who steps onto the blocks strengthens our community through commitment and courage. At the same time, the healthy pursuit of points and placings brings excitement and drives each school to give its best. This balance, valuing every participant while striving for team success, is at the heart of our seven schools and PSA sport.

We extend our sincere thanks to coaches, officials, teachers, and families for their continued support. Thank you to all participating schools, and best wishes to every swimmer.

Cheer well, swim well and let's celebrate as one community as we enjoy yet another showcase for why parents continue to choose a PSA school.
